• Tired of struggling to make ends meet?
• Feel like the system is setting you up to fail?
• Ready to get ahead instead of just get by?
• Want to learn about resources that could change your future?

Getting Ahead is a free step-by-step class to help you discover what keeps you stuck and then helps you to figure out a plan to create a more stable life and future for yourself and your family.

Getting Ahead in a Just-Gettin-By-World is a 10 session workshop series providing people motivated to get out of poverty the tools and support needed to ‘Get Ahead’ in today’s world. By examining the resources you have versus the resources you need, you will be able to formulate a personal plan, based on goals, to get out of poverty.

Here’s what you can expect from Getting Ahead:
• Learn to build relationships that will help you succeed.
• Learn that money is only 1 of 11 resources that can keep you stuck.
• Become an investigator of your own life.
• Develop a workable plan to move forward that is unique to you.
• Discover how conditions in your community impact you and your family.
• Learn to recognize the ‘hidden rules’ to help you get ahead.
• Gain skills that will give you confidence for greater success.
• Move beyond wanting to change to actually making real change happen for yourself and your family.

Here’s what’s expected from Getting Ahead Participants:
• A commitment to attending all 10 sessions.
• Learn from others and share your experiences.
• A willingness to work with others to become self-sufficient.

How to Enroll
Those interested in enrolling will need to complete the Getting Ahead application, and send it to:
